

Sport Success 23-24

9.26.23 Quad Meet - 6 dive

With the 4 schools all represented at this meet the competition was thick. R. L. Turner brought the most heat with having 3 divers represent the school. Daniela Garcia, is a returning senior who leads the team as captain with a respectable showing of 3rd place. Aseneth Rodriguez, another returning senior, placed 2nd scored on all 6 dives for 2nd place. Natalie Longazelle, a new to the sport freshman, scored on 2 of her 6 dives placing 6th.

10. 3. 23 CFB vs Burleson Centennial- 6 dive

Short turn around from last meet to this one, the girls are remaining consistent with their placings as Centennial did not have any divers, this became another intersquad competition. Natalie successfully scored 3 of 6 dives placing 6th, Aseneth placed 3, and Dani 4th. Isa Flores, breakout freshman, is the one to keep your eye on as she took 1st at her first meet with all dives scored.

10. 17. 23 CFB v. Lewisville - 6 dive

At our Splash Out Cancer fundraising meet Turner had 2 of the top 5 places with Isa in 1st, nailing her new 1 ½ forward somersault as well as Dani placing 4th scoring on 5 of her 6 dives, struggling with her reverse. Natalie is over half way to her inward dive and her front somersault, she scored 2 of her 6 dives this meet.

10.20.23 Turner v. Texarkana- 6 dive

Isa traveled with the top swimmers from the Turner team to north east Texas, to compete against the Tigersharks. Yes, we stopped at Buc Ee's. Isa learned how to dive off different boards and napped 2nd place with 113.95 points and a solid reverse dive!

10.26.23 Turner v. Garland- 6 dive

Traveling to the beautiful GISD Natatorium, Isa had plenty of competition and the dive meet was run in the traditional timing of smack dab in the middle of the meet. She very much enjoyed their diving well's top of the line hot tub and pulled a 2nd place with 120.25 points and new motivation to return to the pool for the upcoming TISCA competition.

11.2.23 Tuner v. NWISD- 11 dive

This was Isa's first 11 dive meet. Tonight we learned how important it is to *actually* review our dive sheet prior to signing it. While it was a longer meet, Isa placed second with a score of 217pts.

12.7.23 TISCA- 11 dive

Coming out of a diving hiatus, Nathan scored 3rd place with 187.5 pts while Isa scored 4th to 3 state level divers with a respectable score of 197.3 pts.
