Varsity Summary:

On Monday, we had a varsity boy go to Brookhaven to play in our preview round for district. There were over 330 total players with 130 players for just varsity boys. It was a cold, extremely windy day with wind gusts up to 30 mph.

Seth Kee shot 88 putting him in 36th place. He maxed out on the first hole and it started the day off wrong making it difficult to make up the strokes he lost. He kept trying, gaining a few more strokes along the way, and ended in the better half of the list of players.

His next tournament is Monday at Dallas Athletic Club. Go Trojans!

JV Summary:

On Tuesday, we had a JV boy travel to Arlington to play at Arlington Meadowbrook Golf Course. It was a very cold day and every time we thought the weather was going to improve, it would get cold again.

Juan Guzman shot 119 making this one of his better days of golf. Normally, he has trouble making it to the green before he maxes out, but today he made it to the green on every hole which I am ridiculously proud of. Wish him congratulations when you see him!

Our next JV tournament is Thursday at Lake Park. Go Trojans!
